

Welcome back
Backyard Players!

We are so thrilled
to be back at Hawes School and excited to
share with you our *new* drama club program!

**Our 10-session Tuesday/Friday program for grades 3-5 will begin on
Tuesday, 9/26 and end with a show on
Thursday, Nov. 2 at 7 pm.**

This workshop-style program will be similar in style to our summer camps with Acting, Dance, and Music being featured at each session with theater games, vocal coaching and drama education sprinkled along the way!

This year's show is an original BYP script coupled with some of our favorite, familiar show tunes! It is ensemble-based with no real "leads" and a large emphasis on group numbers. Title announced at first session!

The dates below include our workshop-style casting as the parts and musical numbers will be assigned as we learn more about your children and their specific talents! Sometimes this takes several weeks of practice before discovering where these talents lie. You'll better understand when the script and music arrives home.

Thanks for your patience and support!
